

Dr. Patrick Huser

Board Member

Dr Patrick Huser can look back on 20 years of experience in the banking industry, including 12 years in the management and senior positions at Credit Suisse and Deutsche Bank, most recently as Managing Director at Deutsche Bank. His career at Credit Suisse started with a three-year stint in the capital markets business, followed by another three years in investments/trade. He has been advising HNWI in the Middle East and Switzerland in investment matters for the last 16 years. He has served as CEO of Chefinvest AG since 2010. Patrick Huser has completed various training courses in economics and financial markets, including Behavioural Finance at the University of Zurich, Higher Management at the London Business School, as well as Financial Markets in cooperation with Columbia University, where he completed the Series 7 License at the NASDAQ in New York. He graduated as a Doctor of Law from the University of Zurich, with a dissertation on the subject of «Investor Protection through Corporate Disclosure» (1994).
